

## Inquisitor - Feature # 23: Log files generated by "local" communication at Live CD

<b>Status:</b>	New	<b>Priority:</b>	Normal
<b>Author:</b>	Mikhail Yakshin	<b>Category:</b>	Documentation
<b>Created:</b>	02/06/2009	<b>Assigned to:</b>	-
<b>Updated:</b>	02/06/2009	<b>Due date:</b>	
<b>Subject:</b>	Log files generated by "local" communication at Live CD		
<b>Description:</b>	We need to document what log files are created when running Inq off the Live CD and what do they mean. Ideally, this piece of documentation should be available also as online help at Live CD.
